

Lancaster Sewer District Commission

Sewer Extension Permit Application

Instructions

FORM SEP2016

PLEASE READ CAREFULLY. Fill in all blanks, attach additional paperwork as necessary.

This application form is for all residential and non-residential proposed sewer extensions. This form is used for all building sewer classifications, General, Special, and Industrial. Fill out all subparts as directed. This permit submission must be supplemented by plans, specifications, and an engineering narrative per the LSDC plan submission guide.

Construction of sewer extensions must be undertaken by a utility contractor licensed and bonded by the LSDC. All parts of the extension and any connections must be inspected by the LSDC.
